1. What is the estimated Contract Value? Also, what are the Small Business Goals?

Answer: The estimated contract value can be projected from the Estimated Fee Base projections depicted in solicitation provision L.5 Volume III, Cost and Fee Proposal Instructions, and the performance fee proposed by the offeror. The establishment of small business goals is the responsibility of the offeror for this competitive procurement. Offerors should consider the direction provided under the topic “Small Business Plan” in both the Executive Summary and solicitation provision L.3 Proposal Preparation Instructions – Volume I, Offer. Solicitation provision M.4 Capabilities and Approach Criteria also states that small business involvement will be considered in the evaluation of proposals.
